Phenomenal price for a beautifully preserved and well-maintained vintage 1930's 2 bedroom (+2 small) 1 large bath home with a huge great room nestled into the middle of town in a lush oasis of privacy surrounded by white stucco walls. Absolutely original and fantastic. The Spanish style architecture helps keep the city sounds muffled and helps maintain the temperatures. This home has arched ceilings, unique nooks and built-ins, amazing original wood flooring, and vintage tile rarely found in Hawaii! A perfect place for a professional to work as this property is commercially zoned.
